MEASURE

We are committed to reducing our carbon emissions yearly so that together, we can all halt climate change

- Total carbon footprint: **443.25** tCO₂e
- Carbon per employee: **1.65** tCO₂e
- Locations: Rochester site operations
- Emission sources: natural gas, fleet, electricity, electricity transmissions & distribution, waste
- Reporting Period: 1 Jan 2018 - 31 Dec 2018

ENGAGE

269 FTE employees

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability

COMMUNICATE

We recognise that transparent communication is essential for transformational change and we quantifiably report on

4 SUSTAINABLE DEVELOPMENT GOALS

We see a world where we all contribute to a thriving planet and are a collective force for good. The Planet Mark enables organisations and their people to positively transform society, the environment and the economy.
