

Job Vacancy

Site Maintenance Engineer

Full Time, permanent

39 hours per week

Pay Range £12.80 - £13.50 per hour (negotiable depending on experience)

We are looking for an ambitious, professional and career minded individual to join our team of specialist engineers in supporting the production department to minimise downtime.

As the Site Maintenance Engineer, your responsibilities will include:

- Site Maintenance
- Air tool repairs
- Machinery Repairs (Within Skill Base)
- Planned Maintenance
- Assisting where required with other Maintenance Work

Ideally we are looking for candidates with proven experience in the following areas:

- Brick laying
- Plumbing
- Painting and decorating
- Working at height
- Using tools such as abrasive wheels and pillar drills etc.

Knowledge and experience of general site maintenance is essential.

Working hours will be:

| | |
|-------------------|--|
| Monday - Thursday | 08.00am to 4.30pm (with a ½ hour unpaid lunch) |
| Friday | 08.00am to 3.30pm (with a ½ hour unpaid lunch) |

You will be expected to work a reasonable amount of overtime to support production. This is usually 1 to 2 hours each day Monday to Friday plus 4 hours on Saturday morning on alternate weeks.

Please send your CV to careers@sleepzee.co.uk

Deadline for applications: 30th November 2023

If shortlisted, you will be contacted via telephone or email to arrange an interview.

Applications are invited from all sectors of the community. Whatever your age, gender, disability status, sexual orientation, religion, ethnicity or family circumstances, we make it our business to make sure that you are treated with fairness and respect.
